

DIRECTOR OF CENTRAL INTELLIGENCE

Security Committee

SECOM-069

31 January 1980

MEMORANDUM FOR: Special Assistant to DCI
for Compartmentation

FROM:

[REDACTED]

SUBJECT: Government Manual

Proposals for handling need for definition of [REDACTED]

25X1A

Alternative 1.

Add the following sentences where noted:

Paragraph 4B

(1) These Operational Compartments will be known by unique operational compartment identifiers.

(2) These Operational subcompartments will be categorized by the addition of the term [REDACTED] following the unique operational compartment identifier.

25X1A

(3) These intelligence product compartments will be identified by the use of the generic term COMINT, HUMINT, IMAGERY and TECHNICAL.

(4) This small body of intelligence will be identified by the use of the word [REDACTED] in combination with another word assigned to designate a unique categorization of this material.

25X1A

Alternative 2.

Change paragraph 63, starting with 3rd sentence to read
(-new material underscored)

25X1A

"The codewords which identify highly sensitive collection projects, the term [] when used hyphenated, the project identifier to designate operational subcompartment material, and the sensitive material designators for the [] category 25X1A may be used....."

Recommendation

Adopt Alternative 1.

25X1A
